

# COVID-19: Reopening Plans for Health Professions Education

*Dr. Charlene Portee  
Dean, College of Health Sciences*

# ASU REOPENING MOVING FORWARD

Stay Aware. Stay Safe. Stay #HornetStrong.

Dr. Quinton T. Ross, Jr.

President

**ASU REOPENING**  
MOVING FORWARD

**MASK MANDATORY!**

All ASU employees, students and visitors are required to wear masks or face coverings while on campus. That includes:

- HALLWAYS
- ELEVATORS
- STAIRWELLS
- BATHROOMS
- OPEN WORK AREAS
- CLOSELY CONFINED WORK SPACES
- CLASSROOMS
- STUDY AREAS
- ANY TIME YOU'RE WALKING ACROSS CAMPUS
- AND FOR FACE-TO-FACE MEETINGS OF ANY KIND... EVEN IN LARGE SPACES.

# Safety First

- Non-instructional staff will return to campus.
- ASU is a Mask Mandatory campus, which requires wearing masks or face coverings.
- ASU will provide one initial safety pack for students and employees. The pack will contain a reusable mask, wipes, hand sanitizer, and a thermometer.

- Self-Monitoring of temperature and COVID-19 symptoms will be required of all employees.\*
- Sanitizing stations will be available in central locations throughout the campus.
- Entry into buildings will remain minimal with signs designating points of entry and exit.

- All face-to-face meetings must be held in compliance with social distancing of six feet for all participants or utilize virtual meetings.
- ASU ID will be required for all employees.
- Visitor access to the campus will be limited and prior approval for entry will be required.
- No public events will be held on campus during this phase of reopening.

- *Continuation of Phase One*
  - All employees will return to campus at the direction of their supervisors (may include teleworking).
  - Access to academic and student support services.\*
  - Students will return to residence halls.\*
  - Instructions provided for students enrolled in face-to-face courses, food services and dining instructions.\*

- *Continuation of Phase One and Two*
  - Classrooms and common spaces will undergo continued configuration to promote social distancing.
  - Creative scheduling will be implemented to reduce large gatherings.
  - Public events and student activities on campus will be approved on a case-by-case basis.

# *ASU Health and Safety Strategies*

---

- Training and Communications
- Follow Safety Protocols

# *Campus Health and Safety Enhancements*

- Sneeze Guards/Plexiglass (all service desk)
- Social Distancing Campus Enhancements
- Employees and Student Cleanliness Responsibilities
- Enhancement of Custodial Services

*Accessing  
ASU  
Resources  
& Services*

- Virtual meetings
- Institutional protocols for face-to-face meetings

## *On-Campus Housing*

- Two parents/guardians/guests may assist with move-in.
- Students will sign up online for one of the daily time slots available for moving in.
- Students and two guests will be screened at designated entrance checkpoints and will receive an information packet.
- Students and guests must wear masks at all times.

# GOALS OF FALL 2020

## ACADEMIC PROGRAM DELIVERY

Provide instruction while minimizing the risk or the spread of COVID-19

Deliver flexible instruction through face-to-face, hybrid and online methods

Ensure that ASU students have the appropriate academic progress towards graduation

Ensure enhanced strategies are in place to support academic and student success

- COVID-19 Testing – all faculty, staff and students
- Required COVID-19 training course
- Required Self-Monitoring and Daily Reporting via Health Check
- Positive Test - 14-day Quarantine (Retest/Retrain)

- Course Mode Considerations
  - Online, Hybrid, Face-to-Face
- Virtual Training and Development
  - E-learning training
  - Faculty Development
- Levi Watkins Learning Center
  - Assistance with research, resources for scholarly activities
- Online Readiness for Students
  - Online learning skills (modules)

- For 2020, ASU will end “in-person” instruction by Thanksgiving.
  - Finals for graduating seniors will occur November 18-20, 2020.
  - Finals for continuing students will be taken **online** during the week of November 30 - December 4.
  - ASU Fall 2020 Commencement Exercises are still under review.

- Athletics
- Camps and Programs
- Food Service Operations
- Bookstore
- Public Safety
- Human Resources Services
- Employee Assistance Program
- Ongoing Communication and Evaluation

## FOR YOUR SAFETY AND THE SAFETY OF OTHERS...

### Have your temperature checked

and recorded at the central check-in station before entering your building.  
**South Jackson in front of Council Hall**

**Cover your sneeze (or cough) with a sleeve**

**Wash your hands thoroughly and frequently or use hand sanitizer**

### Wear a mask...

- > In all common areas, including hallways, elevators, stairwells, bathrooms, open work areas and closely confined work spaces such as open cubicles
- > For any face-to-face encounters (including meetings in large spaces)
- > When walking across campus

**IT'S THE HORNET WAY!**

**Disinfect your work areas and equipment frequently**

**Do not use coworkers' phones, desks, computers or other equipment (when possible)**

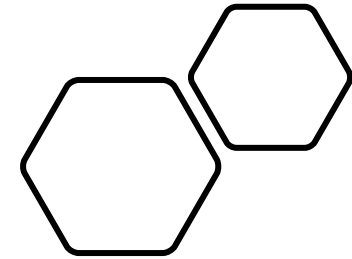

**Practice social distancing at all times**

**Avoid personal contact such as handshakes and friendly hugs**

**If you have COVID-19 related symptoms...**

Employees should stay at home and students should contact the Health Center

***THANK YOU!***
