

Dear Prospective Member,

On behalf of the Association of Schools Advancing Health Professions (ASAHP), I extend a warm welcome and heartfelt appreciation for your interest in becoming a part of our esteemed community. I am Craig Jackson, JD, FASAHP, the current President of ASAHP, and I am thrilled that you are considering joining us.

Your commitment to advancing health professions education aligns with the mission of ASAHP, and we believe that your participation will enrich our collective efforts to shape the future of the health professions and health professions education. We are delighted to provide you with our Member Benefits Packet, a comprehensive guide that outlines the myriad of advantages and resources available to you and your faculty and staff as a valued member of ASAHP.

From professional development opportunities to networking events, research initiatives, and advocacy efforts, ASAHP membership offers a wealth of benefits tailored to elevate your role within health professions education. Our association thrives on the diverse expertise and perspectives of our members, and we are confident that your involvement will contribute significantly to our shared mission.

Feel free to explore the Member Benefits Packet thoroughly, and do not hesitate to reach out if you have any questions or if there is anything specific you would like more information about. We look forward to the prospect of collaborating with you and witnessing the positive impact we can collectively make in advancing health professions education.

Thank you once again for considering ASAHP membership. We are excited about the opportunity to welcome you into our community.

Cheers,

Craig Jackson, JD, MSW, FASAHP
President, Association of Schools Advancing Health Professions (ASAHP)
Dean, School of Allied Health Professions, Loma Linda University

MISSION AND VISION

The Association of Schools Advancing Health Professions (ASAHP) is a national professional organization of over 120 universities and employers focused on critical issues affecting health professions education.

Our mission is to advance health professions education and discovery through interprofessional collaboration, leadership, excellence, and innovation.

ASAHP's vision is to be the leader in advancing health professions education and discovery through interprofessional collaboration.

OVERVIEW OF MEMBER BENEFITS

<p>Networking</p>	<p>ASAHP membership facilitates exclusive networking opportunities through prestigious conferences and regional summits, essential for professionals dedicated to advancing health professions education.</p>
<p>Professional Development</p>	<p>ASAHP membership enhances professional development through committee participation, exclusive webinars, mentorship programs, abstract presentation opportunities, continuing education credits, and travel awards.</p>
<p>Research and Development</p>	<p>ASAHP membership provides unparalleled research and development opportunities, including access to research grants up to \$30,000, connections with research networks, and presentation platforms at conferences.</p>
<p>Institutional Profile Survey</p>	<p>ASAHP membership elevates institutional profiles by offering strategic benchmarking through the annual Institutional Profile Survey, a powerful tool for comparing programs and salaries with peer institutions, enabling data-driven decision-making and comprehensive performance assessment.</p>
<p>Leadership Development Program</p>	<p>ASAHP's Leadership Development Program, integral to membership and the future of health professions education, provides a structured framework with mentorship, professional growth opportunities, access to leadership resources, peer networking, and success stories of individuals ascending to Dean and senior leadership positions.</p>
<p>Representation on the National Level</p>	<p>ASAHP membership empowers health professions education institutions with a unified voice and influential representation on the federal and industry levels, allowing active participation in advocacy efforts, policy shaping, collaborative initiatives, and cross-sector collaboration to collectively strengthen the sector's position within the broader education and healthcare landscape.</p>

<p>Reduced Event Registration Fees</p>	<p>ASAHP membership ensures cost savings with reduced event registration fees, making professional development affordable, providing access to high-quality conferences, and encouraging continuous learning.</p>
<p>Publications</p>	<p>ASAHP membership provides unlimited access to the Journal of Allied Health, periodic TRENDS newsletter, monthly ASAHP UPDATE, and weekly Week in Review, along with the Research Resource Center, the Clinical Education Committee Resource Center, Advocacy Toolkit, and the Justice, Equity, Diversity, and Inclusion (JEDI) Toolkit.</p>
<p>Social Media and Public Relations</p>	<p>ASAHP membership offers access to a dynamic community with a robust social media presence, featuring a Facebook reach of 489,000 and 24,384 video views, as well as an Instagram visibility of 43,915 impressions. This provides members with a platform to connect, stay informed, and amplify their impact in health professions education. Data is from 2022.</p>
<p>Scholarship of Excellence</p>	<p>The program recognizes outstanding students from member institutions in the health professions who are achieving excellence in their academic programs and have significant potential to assume future leadership roles in the health professions.</p>
<p>Visibility</p>	<p>ASAHP membership elevates institutional visibility through prestigious awards, designation of Fellows, sponsorship opportunities, participation in networking events, collaborative initiatives, contributions to association publications, and visibility at conferences and events.</p>

TYPES OF MEMBERSHIP

All faculty and staff members associated with a member organization are eligible to receive the member benefits ASAHP provides, fostering a collective commitment to advancing health professions education. Each membership type will have one designated representative as the main point of contact. Annual membership is July 1-June 30.

Institutional Members

Any institution of higher education or health care institution which offers a degree or certificate in one or more health professions is eligible for Institutional Membership. Through its representative, an Institutional Member has voting privileges and the opportunity to be represented on ASAHP's Board of Directors. Institutional members are encouraged to participate in all facets of ASAHP's committee structure, including those committees which deal with issues of governance.

Professional Members

Health care institutions utilizing workers from the health professions are eligible for Professional Membership, a category of institutional membership. Through its representative, a Professional Member has voting privileges and the opportunity to be represented on ASAHP's Board of Directors. Professional members are encouraged to participate in all facets of ASAHP's committee structure, including those committees which deal with issues of governance.

Affiliate Members

An organization, association, community college, or agency with an interest in the mission and purposes of the Association, but which does not qualify as an Institutional Member is invited to cultivate a liaison relationship with ASAHP as an Affiliate. Through its representative, an Affiliate Member may participate in non-governance committees. Like Institutional Members, Affiliate Members receive national office updates.

ASAHP GRANTS

ASAHP Interprofessional Innovation Grant

Goal:

The Interprofessional Committee of ASAHP developed the Interprofessional Innovation Grant (IIG) Program to provide support for interprofessional collaboration research among the ASAHP membership. The intent is to provide recipients a competitive edge in securing additional funding by supporting pilot projects and further developing grantsmanship skill sets. The intent of the IIG Program is that proposals submitted can be used to develop larger, more extensive interprofessional research projects that further engage faculty and ASAHP members in research endeavors.

Award:

The Interprofessional Committee expects to fund 3 awards up to \$2,000 per award for projects between September 1 to June 30 of the respective year.

Deadline:

Late Spring

ASAHP Interprofessional Collaboration Research Grant

Goal:

The Research, Discovery, and Innovation Committee developed the Interprofessional Collaboration Research Grant to support innovative research projects with the highest potential to produce new knowledge and paradigms towards success in interprofessional collaboration. Projects should involve at least two and preferably more health professions. The most competitive applications will be designed as scalable projects with potential outcomes which can be broadly applied and implemented by ASAHP member institutions.

Award:

2-3 grant(s) may be awarded up to \$30,000 per award. Awards will be provided for one year of support.

Deadline:

Late Spring
